SUMMARY

Graphic and web designer with 3+ years of experience creating brand-consistent digital and print work across marketing, web, and social platforms. Skilled in Adobe Creative Cloud (Illustrator, InDesign, Photoshop) and Figma, with hands-on experience building and maintaining websites in WordPress (Elementor, Avada, WooCommerce) and Squarespace, from wireframe through launch. Known for balancing creative execution with fast turnaround across multiple concurrent projects. Open to full-time, part-time, freelance, and contract remote opportunities.

EDUCATION

University of Lynchburg Aug 2023 – Graduated May 2026

Bachelor of Arts in Graphic Design — Lynchburg, Virginia

Central Virginia Community College Aug 2021 – Graduated July 2023

Associates of Applied Science in Information Systems Technology — Lynchburg, Virginia

EXPERIENCE

Justus Media Marketing July 2026 – Present

Freelance Website Designer & Website Maintenance Specialist — Remote

- Designed and built websites and landing pages for small business clients through a marketing firm using **WordPress, Figma, and Penpot**, from wireframe to launch.
- Manage client relationships and web content using WordPress, ensuring **brand consistency** and **timely updates** across client sites.

benton buckley books June 2026 – Present

Freelance Graphic & Web Designer — Remote

- Created high-quality **3D book mockups for 14+ featured titles**, strengthening visual appeal across marketing and promotional channels.
- Develop **branded PowerPoint presentations** for a publishing company, translating content into clean, visually engaging layouts

Steven Francis Fine Art Jan 2026 – May 2026

Gallery Graphic & Web Design Intern — Lynchburg, Virginia

- Edit, create, and update the gallery website using **Squarespace**, ensuring accurate and visually consistent content for each exhibition.
- Implement SEO best practices to improve search engine rankings and increase organic traffic to exhibition pages.
- Maintain brand consistency across digital and social media platforms (Facebook, Instagram) using **Adobe Photoshop** and **Canva**.
- Design and produce client and gallery exhibition booklets using **Mixbook**, coordinating print-ready assets for each show.

University of Lynchburg Aug 2025 – May 2026

Digital Media Assistant — Lynchburg, Virginia

- Design and maintain university webpages using **WordPress** and **Elementor**, with a focus on intuitive layouts and user experience.
- Designed and published the 'Campus Traditions' and 'Student Spaces' web pages, improving information access for prospective and current students.
- Uphold brand standards across all webpages using university brand guidelines.
- Curate and publish incoming events to the campus-wide digital event calendar, streamlining student communication and engagement.

Commvault Jun 2025 – Aug 2025

Graphic Design Intern — Remote

- Produced marketing design collateral — including infographics, datasheets, whitepapers, and e-books — for integrated campaigns **Readiverse** and **Commvault SHIFT**, as well as additional brand branches across the organization.
- Organized, cataloged, and managed multimedia assets across **Adobe Creative Cloud Libraries** and internal company systems, streamlining team access to creative resources.
- Collaborated with an in-house design team on multilingual marketing assets delivered across cross-functional remote teams, consistently meeting tight deadlines.
- Optimized creative workflows using **Adobe Creative Suite**, **Smartsheet**, and **Optimizely**.

Veye Marketing May 2024 – Dec 2024

Web Designer — Lynchburg, Virginia

- Designed and launched **3 responsive websites** using **WordPress** (Avada theme) and **Figma**, from wireframe to live deployment.
- Performed ongoing web administration and maintenance across **14 client websites**, ensuring uptime, brand consistency, and content accuracy.
- Created wireframes and interactive prototypes in **Figma** to define layouts and align stakeholder expectations before development.

- Integrated visual and interactive elements to produce cohesive, brand-consistent website experiences.
- Built and configured **WooCommerce** stores within WordPress, including product pages, navigation, and checkout experiences.

Veye Marketing Aug 2023 – May 2024

Web Design Intern — Lynchburg, Virginia

- Assisted in designing user-friendly **WordPress** websites, contributing to front-end layouts and content structure.
- Created wireframes and basic prototypes in **Figma** to plan user flows and page layouts.
