PROFESSIONAL SUMMARY

Creative Graphic and Web Designer with 3 years of experience across digital and print platforms, specializing in typography, layout, color theory, and visual storytelling. Proficient in Adobe Creative Suite, Figma, and WordPress, with hands-on experience building accessible, brand-consistent websites and marketing materials. Seeking a full-time remote graphic design or web design role upon or before completing a Bachelor of Arts in Graphic Design May 2026.

PROFESSIONAL EXPERIENCE

Gallery Graphic & Web Design Intern

Jan 2026 - Present

Steven Francis Fine Art, Lynchburg, Virginia

- Edit, create, and update the gallery website using Squarespace, ensuring accurate and visually consistent content for each exhibition.
- Implement and apply best SEO practices for the Art Gallery website to improve search engine rankings and increase organic traffic to exhibition pages.
- Maintain brand consistency across digital and social media platforms (Facebook, Instagram) using Adobe Photoshop and Canva.
- Design and produce client and gallery exhibition booklets using Mixbook, coordinating print-ready assets for each show.

Digital Media Assistant

Aug 2025 - Present

University of Lynchburg, Lynchburg, Virginia

- Design and maintain university webpages using WordPress and Elementor, with a focus on intuitive layouts and user experience.
- Designed and published the 'Campus Traditions' and 'Student Spaces' web pages, improving information access for prospective and current students.
- Upheld brand standards across all webpages using Brand guidelines.
- Curate and publish in-coming events to the campus-wide digital event calendar, streamlining student communication and engagement.

Graphic Design Intern

Jun 2025 - Aug 2025

Commvault, Lynchburg, Virginia

- Collaborated with an in-house design team to produce marketing collateral designs, such as infographics, datasheets, whitepapers, web assets, and e-books for integrated and multilingual marketing campaigns.
- Delivered user-focused design solutions for cross-functional teams across a remote work environment, consistently meeting tight deadlines.
- Optimized creative workflows using Adobe Creative Suite, Smartsheet, and Optimizely.

Web Designer

Veye Marketing, Lynchburg, Virginia

May 2024 - Dec 2024

- Designed responsive, user-focused websites using WordPress with the Avada theme framework.
- Created wireframes and interactive prototypes in Figma to define layouts and align stakeholder expectations before development.
- Integrated visual and interactive elements to produce cohesive, brand-consistent website experiences.

Web Design Intern

Web Design Intern

Aug 2023 - May 2024

- Assisted in designing user-friendly WordPress websites, contributing to front-end layouts and content structure.
- Created wireframes and basic prototypes in Figma to plan user flows and page layouts.

EDUCATION

University of Lynchburg

Bachelor of Arts in Graphic Design

Expected, May 2026

Central Virginia Community College

Associates of Applied Science in Information Systems Technology
